Lord, remove my blinkers of selfish pride, that I may see the needs of others and sow with compassion your strength, love and peace as I journey in step with your Holy Spirit.

Amen.

ECO-BRICK UPDATE:

Thank you everybody so far for your eco-bricks. They are "building up" nicely (excuse the pun!) but there is always room for more. Don't forget, there is a prize for the heaviest one across the three churches and final collections will be on 28th July. An eco-brick is a 2-litre plastic milk bottle (clean and dry) that is filled with the plastic that can't otherwise be recycled or reused. For more information, please see Pam or the sheets in church.

Urgent Appeal: There has been an urgent appeal from the Booth Centre for the following: Biscuits, deodorant, thin socks, men's underwear and jam. If you would like to donate, there will be a box in church at St Paul's

As we meet for worship this morning, **please remember to pray for the various members of the worship team** as they lead and preach at the following locations: -

St Andrew's - Eddie and Jane
St Peter's - Chris
